HEARING ASSISTANCE

Last year, a couple of parishioners mentioned that sometimes they have difficulty hearing in Church. After gathering some info and making some inquiries at other churches that have hearing assistance systems, Inverary United Church offered to give us their system that they were not using.

(Many thanks to Inverary United Church!)

The system is now operational and 4 units are available in a small box at the entrance to the Church.

If you wish to try it out, simply pick one of the units, plug in the earphone and adjust the volume with the on/off dial. (Small head phones are also available)

If you find it helps and would like to use one on a long-term basis, please contact Don Murphy.
